

**DEPARTMENT OF TRANSPORTATION
JOB OPPORTUNITY
Transportation Landscape Designer 1
Bureau of Engineering and Construction**

PLEASE FOLLOW THE SPECIFIC APPLICATION FILING INSTRUCTIONS AT THE BOTTOM OF THIS PAGE!

Open To: The Public (Must be on exam list - refer to "Eligibility" section below)
Location: Office of Engineering – Newington Office
Job Posting No.: 109833
Hours: 40 hours per week
Closing Date: March 5, 2015, 4:00 p.m.
Salary: Paygrade FT 18 (\$52,515 - \$68,054 annually)

There is a Transportation Landscape Designer 1 position opportunity currently available in the Office of Engineering, Division of Highway Design, State Design Section, located in the Newington Administration Building.

Position Description: This position is accountable for the design of landscape projects for the Department. Duties include: developing CADD generated landscape plans, specifications, and cost estimates for transportation projects currently in design; preparing the landscape design components for highway safety improvement and enhancement projects as part of an inter-disciplinary team; reviewing landscape plans by others; preparing communicative graphics; performing material testing; and overseeing the installation of vegetation on many types of transportation improvement projects.

Additional duties include advising district personnel and engineers in the interpretation of landscape plans and specifications; identifying existing vegetation and making recommendations for salvage and/or preservation; performing a limited range of related duties in investigating complaints and recommending remedial action; performing site inspections of plant materials, supplies and contract execution to insure conformance to plans and specifications; conducting tree surveys to determine the condition of the trees and making appropriate recommendations for pruning, planting and tree removal; maintaining records of materials; related duties as required.

The successful candidate for this position may be required to attend meetings outside of normal working hours, and must possess and retain a valid Motor Vehicle Operator's license.

Eligibility: Candidates must have passed the Transportation Landscape Designer 1 exam and be on a current certification list promulgated by the Department of Administrative Services. State employees who currently hold this title or those who have previously attained permanent status in this title since their most recent hire date, may apply for lateral transfer.

Application Instructions: Submit a cover letter which states your interest and suitability for the position(s), resume, and [application \(State of Connecticut Application for Examination of Employment Form CT-HR-12\)](#). State employees must also submit copies of last two service ratings received. Send to:

Ms. Denise Maura
DOT Bureau of Engineering and Construction, Room 3314
2800 Berlin Turnpike, Newington, CT 06131-7546

Any questions regarding this posting should be directed to Jackie Ouellette at jackie.ouellette@ct.gov. Refer to the DAS website for full [job specification requirements](#). Interviews may be limited to candidates whose experience and training most closely meet the requirements of these positions. The candidate pool resulting from these interviews may be used to fill Transportation Landscape Designer 1 vacancies that occur in the next twelve (12) months.
